OLO DEBTS ARE BEING PAID: FEUDS SETTLES

EVANGELIST SAYS HE IS RE-CEIVING LETTERS DAILY FROM ANDERSONIANS.

SERMON LAST NIGHT

Was One of Best Yet Delivered and Large Crowd Present-Meeting Just Started.

Last night of the largest crowds yet hear the great evangelist preach one of the strongest sermons he has yet delivered. Yesterday afternoon he stated that he was receiving letters daily the writers telling him that they were naving old delive one of them were paying old debts, one of them being of 40 odd years standing, and that apologies were being made and old feuds being settled. He is in-deed doing great good in Anderson and his meeting has realy just start-

His text last night was, "And he wist not that the Lord was departed from him." Judges 16:20. "The children of Israel had gone into sin

ed from him." Judges 16:20. "The children of Israel had gone into six and the Lord had delivered them into the hands of their enemies, and the angel of the Lord appeared unto a woman and told her that she should conceive and bear a son, and that this child which was to be born into their home would be a Nazarite from the day of his birth. That is he should be dedicated and consecrated to God. And the Book says that the child grew and the Lord blessed him. "Now I want you to notice that this character was well-horned. His parents were people that were noted for their plety, so much so that God sent an angel from heaven to notify them of the child's birth and it is a great thing to be well born. God pity the child that is brought into this world by whiskey soaked, nicotine polacited parents. The child that is reared in the home where they don't have prayer has had a bad start in life. I thank God for the homes where heads are bowed and grace is said, where the children are sent to bed from an open Bible and an altar of prayer. "Now one of the first things that

of prayer.

"Now one of the first things that I want you to notice about this man was that he was a man of God and there are several unmistakable evidences. First he was a judge of Israel for 20 years, and men who looked over God's chosen people were always noted for their picity. Second, Paul said that he was a man of faith. He is put down with those who through faith subdued the mouths of lions, quenched the violence of fire, vs.2 ped the edge of the reword, out of weakness were mad strong, waxed vailant in fight, turned to flight the armies of the allens. And in the third place, the Lord departed from him. The Lord could not have feft Sampson it he had not been with him. People shrink from losing God. One of the greatest calculties that can overtake the human soul is to lose out with God. I had rather lose father and mother, wife and hables, everybody and everything in this world than to lose the Lord. I can see old Saul now as he wandered over the hills of Israel and at last when his form was bent and his given were dimined and when on the crutches of decreptude, heard him dry out. The Lord does not hear me any more?

"But the Book says he that endereth to the end shall be saved. To these God means shipwreck."

These the evangelist told about a great mountain minded preacher that swyed the multitudes with his smooth thatoric and his convincing eloquence, who went down in sin and today he is living in the alums as a commen leper.

"Banpson lost God and did not "Now one of the first things that

Cozdes in the Poughkeepsie College Races.

unappropriated parcels of feminine blessing, ladies in waiting.

"The next ain we see coming into Sampson's life was revenge, murder, retaliation, lying, lust and all these things pited upon him with the rapidity of a lightning expt's. I read sometime ago of a fellow who had a lot of curiosity about him and news down at a saw mill where there was a yoke of oxen and they had taken out one of the oxen and the boy wanted to see how the yoke would fill around his neck, and he walked up by the oxen, placed his head in the yoke and she did the ox walked lift down the road. Then the ox struck a trot and of course the oxen triend deside him atruck a trot also. The next thing the ox was loafing and thise fellow was loaping also. In a tew minutes the oxen was going down the road at a 2:40 gait and thise fool had to get right down to his mutton to keep his head from being pulled off. That is just the way sin will develope and multiply and grower bands. What but heedless ness could have allowed Sampson to be separated from the Lord and the same thing today is the explanation when he trouble befulls the boul. The scriptures from Genesis to Revelations urges us to watchindness." This is really just the introduction of his sermon and it would take many colimns to give the credit to his serman which ought to be given. To tech his sermons and the aincertiy is which they are delivered, one must hear them.

trained the young men of the five colleges over the country for their races at Poughkeepsie on the Hudson for the greater part of a year to pick crews who will win this national contest. Of course, the Harvard-Yale race at New London is estill to easterners the great college rowing attraction, but every year the even on the Hudson river, wherein college crows from the whole country may compete, is gaining popularity and importance.

WALHALLA

News reached here yesterday of th parriage of Miss Irene Strother, of Walhalla, and Dr. C. P. Corn, of ohnston, S., C., which took place Saturday a Tornoon at The Jefferson hotel in Columbia. The announcement of the marriage of this popular young couple was a pleasant surprise to their many friends here. Miss Strother was the younges daughter of Mr. and Mrs. W. A. Strother, and was one of Weihalla's most accomplished young ladies. She attended Converse and Winthrop colleges, and is a raduate of the latter, and has many friends throughout the State, who will be pleased to learn of her marriage. Dr. Corn is a promising young physician of Johnston.

The Paul Hayne circle met with Miss Dalby Strong on Friday afternoon. A large number of members and visitors being present. After an interesting program delicious refreahments were served.

The Oconce County Summer school began its second week this morning. The enrollment showed an increase over last year. saturday afternoon at The Jefferson
